EXAMINER'S AMENDMENT

-
1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph A. Kolasch on 02/10/04.

The application has been amended as follows: the non-elected claims 1-6 and 12-27 have been cancelled.

2. The following is an examiner's statement of reasons for allowance: Applicant's independent claims 7, 28, and 36 are allowed over the prior art of record because none teach or render obvious the following:

3. Pertaining to claim 7, a method of fabricating a liquid crystal display device wherein the devices includes gate electrode lines, electrode links and electrode pads within a picture display part of a liquid crystal display panel, a gate insulating film of an inorganic material on a substrate provided with the gate electrode lines, links and pads, forming data electrode lines, electrode links and electrode pads on the gate insulating film, an organic protective film on the gate insulating film provided with the data electrode lines, links and pads, and a seal crossing the gate and data electrode links on the organic protective film, where the method comprises removing the protective film and partially removing the gate insulating film to a predetermined thickness to define holes between the gate electrode links and the data electrode links.

Art Unit: 2812

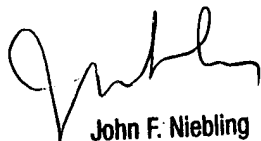

4. Pertaining to claim 28, a method to form a lower plate of a liquid crystal device, the method comprising forming a protective film over the gate insulating film such that at least a portion of the adherence surface is exposed.
5. Pertaining to claim 36, a method to control a thickness of a gate insulation film remaining after etching, the method comprising form an etch point detection window such that a dummy pattern of predetermined thickness is formed below the gate insulation film.
6. All dependent claims are rendered allowable.
7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stanetta D. Isaac whose telephone number is 571-272-1671. The examiner can normally be reached on Monday-Friday 9:30am -6:30pm.
